Villa Tranquila is very unique with a horseshoe shaped design and flexible floorplan. From the moment you open the front door, all doors and windows lead to the tropical view outside; indoors and outdoors merge to become one spacious living area. The kitchen features a central island as well as plenty of cabinets and workspace. A covered terrace provides entertaining space and a place to enjoy

our warm evenings. Two master bedrooms with full en-suites are located on either side of the villa. They also feature patio doors leading out to the backyard.

Includes the lot, construction of the villa, landscaping, swimming pool, and service building for pool equipment/storage. 6% rental guarantee for the first 2-years of ownership.
